

GAME PLANETS GENERATIONS

FUN FANTASY FAMILY

ADVENTURE

Everyone is familiar with GamePlanets but now there is a new kid on the block Called Gameplanets Generations. Virtual reality, educational and fantasy packed, not just for kids but for the whole family, that means you too Grandpa and Grandma, Aunty and Uncle.

So come on Family! Come on relatives! Let's all hop on board and fly together into the future with Gameplanets Generations.

EDUCATION

GamePlanets Generations is a real time, virtual studio television gameshow production. In each episode four contestants fly to then through, 7 or 8 of the over, 70 fantastic 3D worlds available.

On each world they answer questions or play interactive games like Fast Food Fight, Tennis or Football.

The finale is held in a huge domed room where contestants must make their way through the Laser Lane before they can take home their prizes.
